

# Col Buhlow's Gemstone Mine

## EXPERIENCE

**Add a science, social studies or history component to your school outing.**

### **Colonel Buhlow's Gemstone Mine Experience**

is a fun "hands on" way to discover and identify gemstones while experiencing the panning process used by mining prospectors of days gone by.

After purchasing a bag of "mining rough", students proceed to our 25ft custom built cedar mining sluice where they will use mining techniques to pan for gemstones.

Each miner is given a special gemstone map to identify their findings.

***Anything they find is theirs to keep!***

Col Buhlow's Gemstone Mine Experience is \$5.00 per person
